FSA AWARDED CONTRACT. MORE WAYS TO MOVE WATER.

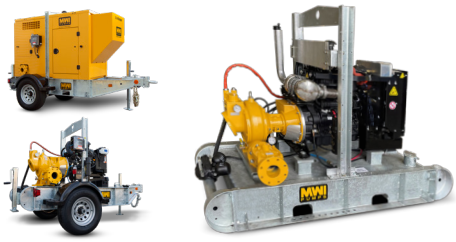
MWI PUMPS AWARDED FSA26-EQU24.0, EQUIPMENT | ITEM #359

MWI PUMPS
The Power to Move Water®

FLORIDA SHERIFFS ASSOCIATION COOPERATIVE PURCHASING PROGRAM

PUT YOUR 2027 BUDGET TO WORK WITH EXPANDED PUMP OFFERINGS

It's a new fiscal year, and MWI Pumps is expanding its equipment offerings through the Florida Sheriffs Association (FSA) Cooperative Purchasing Program! Municipalities can now access an expanded selection of MWI pump packages designed to help keep infrastructure projects moving, manage stormwater, control flooding, maintain sewer systems, and tackle demanding dewatering applications. With three proven pump product lines in 4", 6", 8" and in some cases 10" configurations, MWI Pumps delivers dependable, American-made pumping solutions backed by a century of manufacturing experience.



PRIMERITE™ | Automatic Dry Self-Priming Trash Pumps

- CT004 - 4" Pump Package
- CT006 - 6" Pump Package
- CT008 - 8" Pump Package

Ideal for construction dewatering, stormwater control, flood drainage, and municipal sewer bypass. Automatic dry self-priming and re-priming capabilities help manage changing flows and demanding field conditions.

DURAFLO™ | Hydraulic Submersible Trash Pumps

- HTC004 - 4" Submersible Pump
- HTC006 - 6" Submersible Pump
- HTC008 - 8" Submersible Pump
- Hydraulic Drive Units Available

Built for tough applications requiring submerged pumping, including construction excavations, sewer bypass, solids handling, and general municipal dewatering.

ROTOFLO™ | Wellpoint Dewatering Pumps

- RWP006 - 6" Wellpoint Pump
- RWP008 - 8" Wellpoint Pump
- RWP010 - 10" Wellpoint Pump

Designed for groundwater control, wellpoint systems, and construction dewatering to help contractors and public works departments keep projects on schedule.

BUILD AMERICA, BUY AMERICA ACT (BABAA) COMPLIANT

CONFIGURE YOUR PACKAGE

- **Quieter operation:** Optional SilentPartner™ sound-attenuation enclosures for residential neighborhoods and noise-sensitive areas
- **Easy transport and setup:** Available DOT highway trailer-mounted configurations and skid-mounted options.
- **Flexible equipment choices:** Multiple pump sizes, drive options, and accessories to meet project requirements
- **Local Florida support:** Six MWI rental locations throughout Florida to help serve your pumping needs

MUNICIPAL & PUBLIC WORKS

Construction Dewatering • Stormwater Management
Flood Control • Sewer Bypass • Groundwater Control
Pump Station Projects • Emergency Water Management

Use your new budget for 2027! Take advantage of MWI Pumps' expanded equipment offerings through the FSA Cooperative Purchasing Program.
