

PUMP ACCESSORIES

REPLACEMENT PARTS & HOSE

Find all the commercial / industrial grade water pump accessories you need for your MWI pump, from water pump hardware to quality replacement parts. Whether you need a spare part to keep on hand in the event of an emergency or a new component to make important repairs, you will find what you need in our selection. Please note that some water pump accessories come with your purchase or rental. Other water pump hardware and accessories are only available upon request. MWI engineers can review and evaluate all pump parts and present improved technologies that will reduce wear and improve reliability of your pump.

PVC WELLPOINT 90 Degree Intake

These PVC Wellpoints with conical end caps are used to draw water and air from beneath the ground to temporarily lower the water table and allow for construction. We also carry self-jetting wellpoints.

BAUER-TYPE FITTINGS Quick Connect/Disconnect

MWI provides a variety of Bauer-type quick connect/disconnect coupling and adapter fittings including; hose ends, screw ends, pipe bends, adapters, flanged ends, rubber sealings, and closure rings.

HEADER PIPE PVC Schedule 40 Header

Headers collect the water from the wellpoints and deliver it to the pump. MWI PVC Schedule 40 header pipe is available in an 8 inch diameter and 20 foot lengths with either 7 or 10 saddles.

HEADER PIPE FITTINGS Multiple Configurations

These header pipe fittings come in a number of configurations including; 450 bend, 900 bend, tee and blank end. All fit with extra strength rubber sleeves and stainless steel clamps.

SWING JOINTS Wellpoint Accessories

Our swing joints are equipped with clear plastic elbows to monitor the flow of water and control valves to maintain vacuum levels. Both ends connect quickly and easily.

HOSES & FITTINGS Hose Line

MWI has a complete line to fit any application. We provide a variety of hoses ranging from suction hose to high pressure discharge hose. All are available with an assortment of couplings and fixtures.

HEADER COUPLINGS Sleeves

These flexible rubber sleeves have stainless steel clamps to quickly join header pipes.
